## PMA Consultants

**PMA Consultants**

PMA Consultants is a nationally recognized program, project, and construction management consulting firm founded in 1971. PMA is comprised of over 200 experts in a variety of specialty areas with experience on major projects nationwide. They are recognized pioneers and leaders in the construction industry and experts in dispute avoidance and resolution. With PMA on your team, you gain a trusted technical advisor with more than three decades of experience implementing customized, innovative and successful solutions that are models for the construction industry.
